Morning is when the Sun rises.
The Sun rises early in the morning.
My day begins early in the morning
when the Sun rises.

I get up, wash my face,
brush my hair, and get dressed.
I eat my breakfast and drink my juice.
Then I get ready for school.

Noon is when the Sun is high in the sky.
It is lunchtime at school.
It is bright, and it is warm.
I eat lunch, and I play with my friends.

Afternoon is when the Sun begins to go down.
I come home from school, and I eat a snack.
I play with my friends.

Evening is when the Sun is lower in the sky.
It is getting darker.
I eat dinner with my family.

After dinner, I like to watch television.
I like to read my favorite books.
Then I get ready for bed.

Night comes after the Sun has set.
The sky is dark.
The Moon and stars are out.
I get into bed, and Dad reads me a story.

Then I go to sleep in my bed.
Teddy goes to sleep in my bed, too.
ZZZZZZZZZZ.
