Glassblowing

Written by Mara Rockliff

www.readinga-z.com

I am a glassblower.
Watch me make
a beautiful glass bowl.

The oven that holds
the glass is very, very hot.
The hot glass is runny,
like honey.

I dip my long pipe
into the hot glass.

I roll the pipe on the table
to smooth and cool
the glass.

I blow into the pipe.
I blow a bubble
in the gooey glass.
I try not to blow too hard.

I add other colors
to make the bowl
even more beautiful.

I dip my pipe
into the oven again.
The oven makes
the colors flow.

My tools help me to shape
the glass.

I spin the glass
as fast as I can.
The bowl gets wider
and wider.

I break off the pipe.
I heat the glass again
to make it smooth.

The glass cools slowly.
My beautiful bowl is done.
