Hair is fun.
We can wear our hair
in lots of different ways.

My hair is curly.
I like to let it grow.
My mom likes it cut.

My hair is straight.
I like it to swing when
I walk my dog.

My hair is black.
I like to put flowers
in my hair.

My hair is red.
I like it to match
my freckles.

My hair has braids.
I like to swing them
when I play.

My hair has spikes.
I like to paint them
in colors.

My hair is short.
I like it to stay out
of my eyes.

My hair is long.
I like it to hang
upside down.

What is your hair like?
What do you like best
about your hair?
