Bubbles are round  
pockets of air inside  
a material.  
People make bubbles  
with many things.

People make bubbles  
with soap.

People make bubbles  
while chewing gum.

People make bubbles  
in milk.

People make bubbles  
under water.

Some bubbles are  
colorful.

Some bubbles stick  
together.

Some bubbles float  
away.

Some bubbles are  
in solids.

Bubbles hold air.  
Some bubbles hold  
people, too!
