Spring is here,
and it's time for a bike ride.
Before we go out, Dad helps
me get my bike ready.

Do the tires need air?
The tires need air,
so I pump up the tires.

Did one tire go flat?
One tire went flat, so I
patch the tire's inner tube.

Does the chain need oil?
The chain needs oil,
so we oil the chain.

Do the gears move smoothly?
The gears don't move smoothly,
so I oil them, too.

Are my brakes still working?
My brakes are still working,
so I can stop safely.

Is my seat too low?
My seat's too low,
so we raise the seat.
I must have grown!

Does my bike need cleaning?
My bike needs cleaning,
so I wipe it with a wet rag.

Does my helmet still fit?

My helmet still fits, so my dad
fastens it under my chin.

Spring is here, and my bike
is ready.

It's finally time for a long
bike ride!
