Building a Road

A scenic view of a paved road winding through a desert landscape. On the left, there are large, layered rock formations. A dark SUV is driving away on the road. The sky is clear and blue.

How is a road built?

First, the plan is made.

Next, the dirt is moved.

Then, the gravel is spread.

Next, the road is paved.

Then, the road is flattened.

Last, the road is painted.

Now it is time for a ride!
