It's time to carve a pumpkin!
First, ask an adult to help you.

Next, find a round pumpkin.
Find one you like.

Then, ask an adult to help
you cut out the top.
Be careful when you cut!

Next, scoop out the insides.
It's kind of gross and fun
at the same time!

Then, pick out all the seeds.
Ask an adult to bake them
for a snack.

Next, draw the face.

You can draw other things, too.

Then, ask an adult to help you
cut out the face.
Be careful when you cut!

Next, put a light inside
the pumpkin.
The light will shine inside.

Finally, put the pumpkin where everyone can see.

You have carved a pumpkin!
