Ink falls on the paper.
What do you see?
I see a mouse.

Milk spills on the floor.
What do you see?
I see a rabbit.

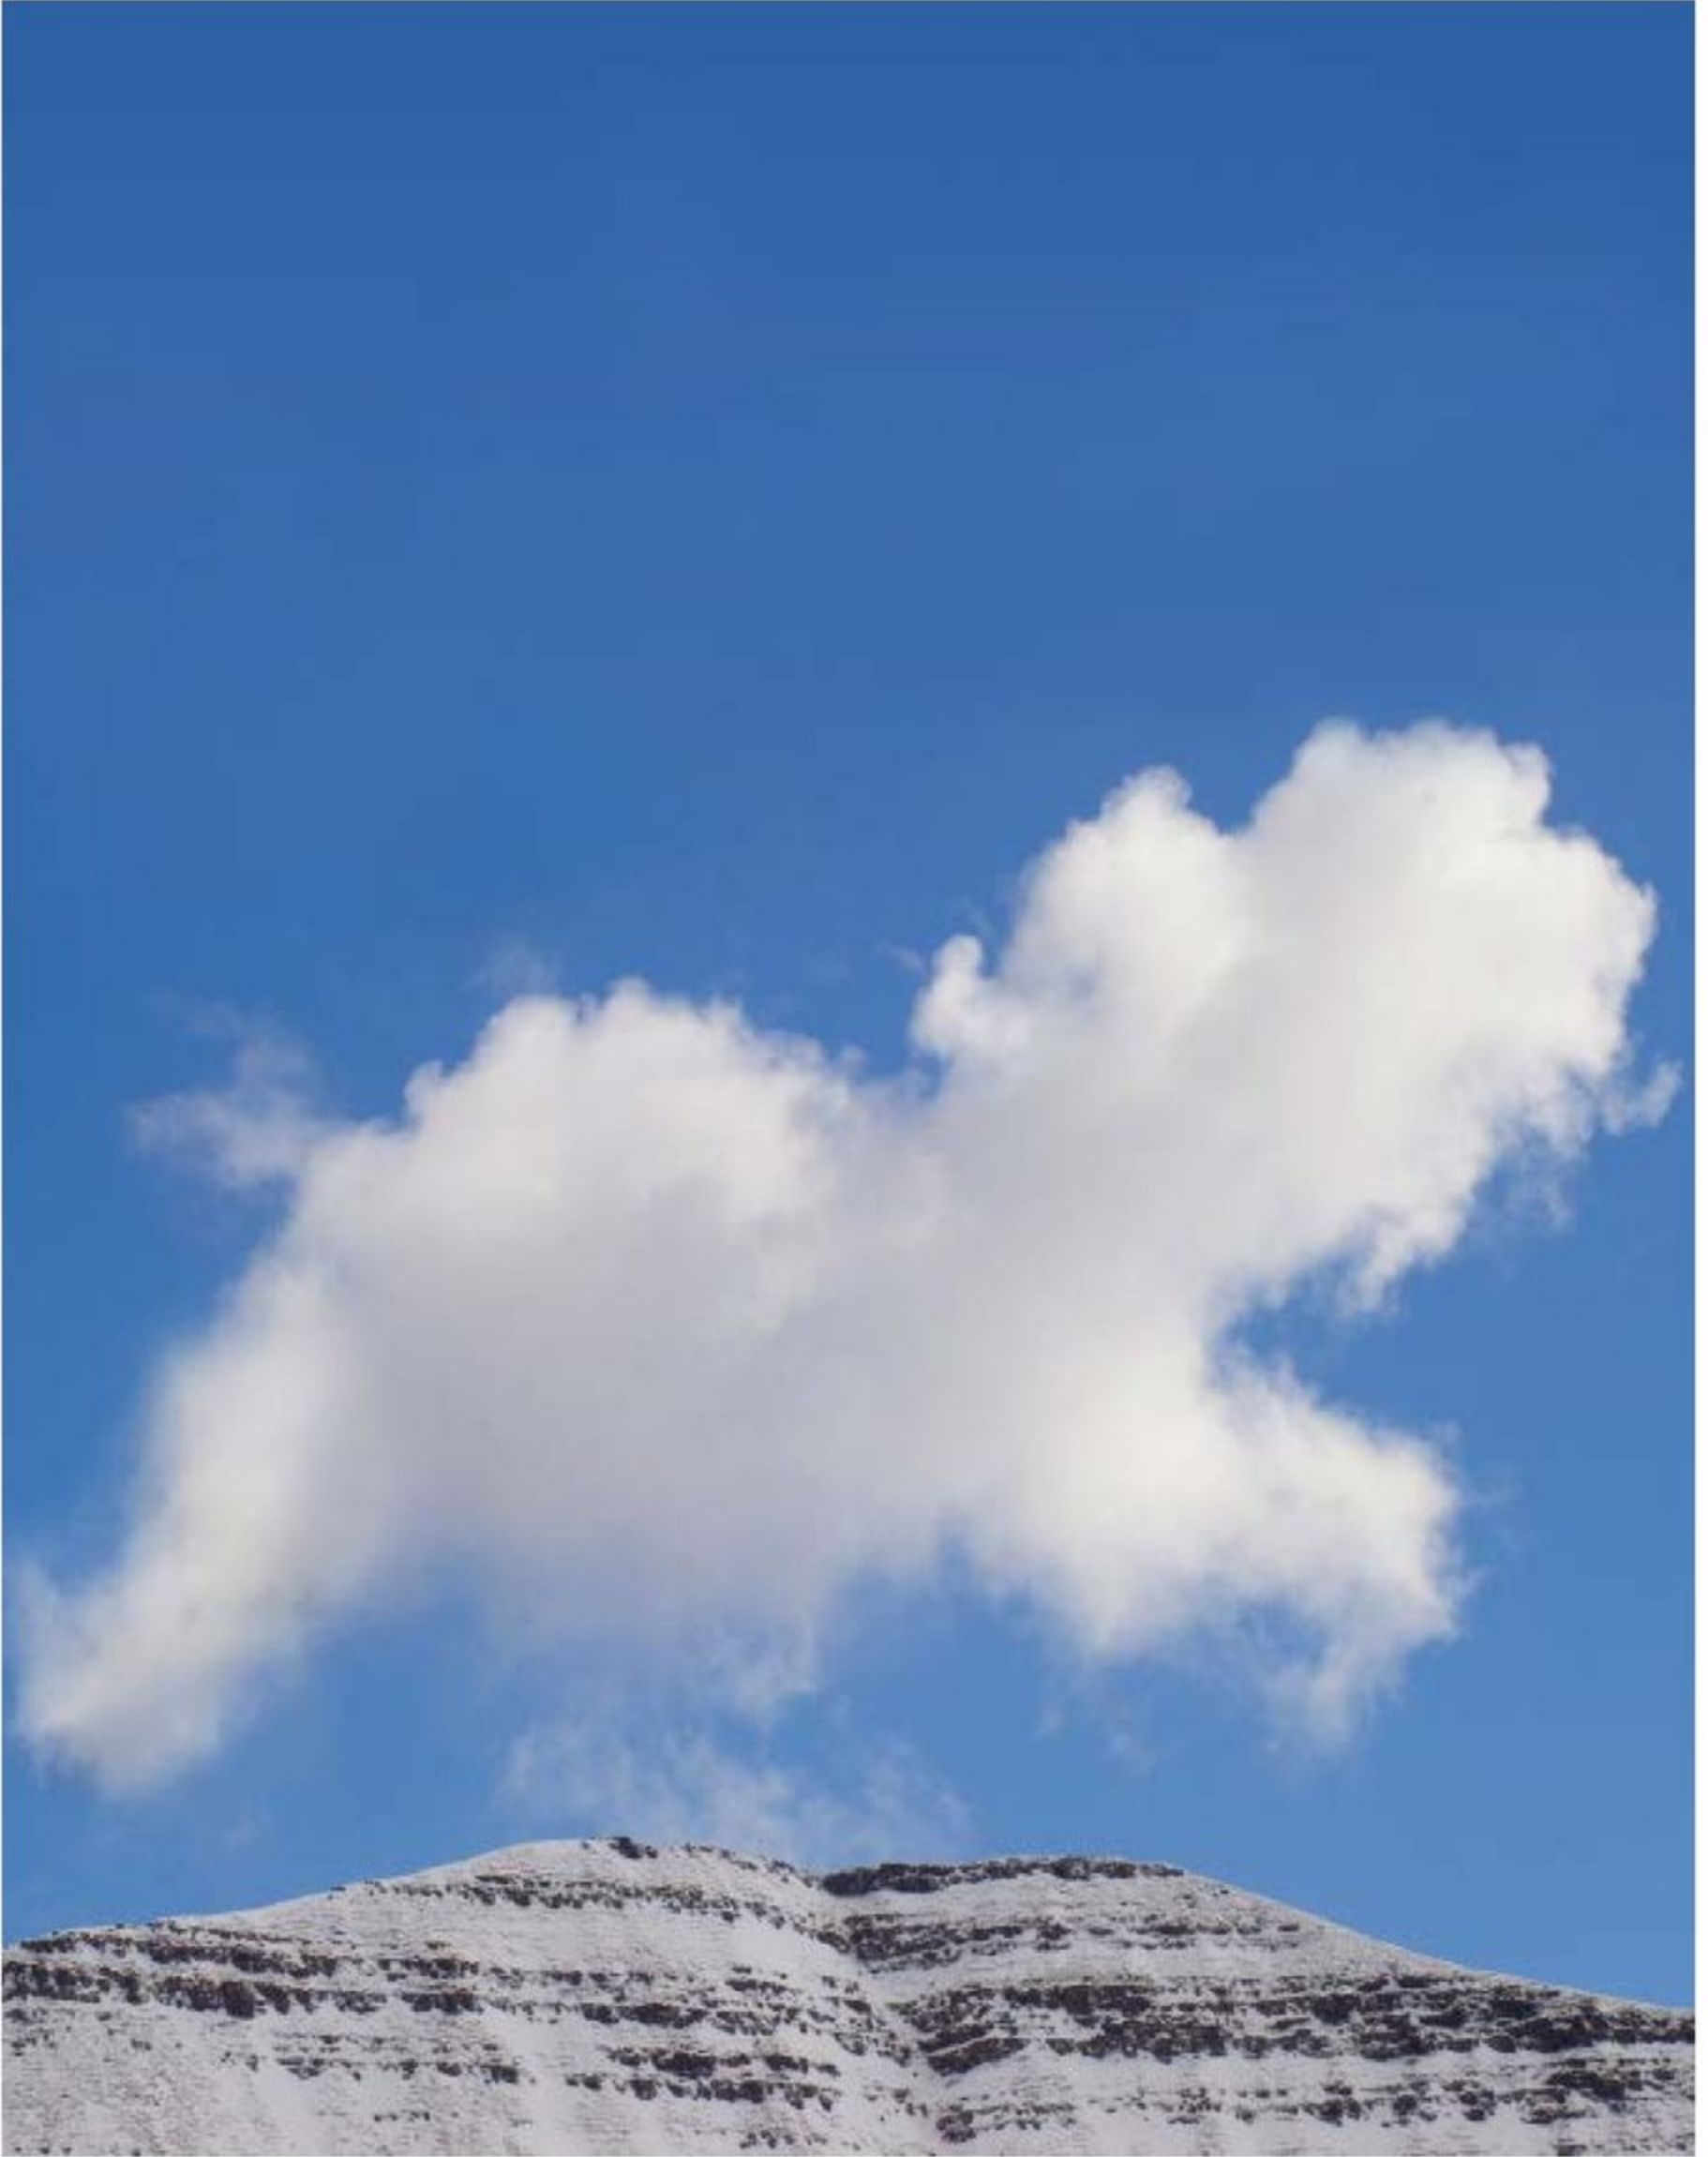

Pencil pieces fall
on the floor.
What do you see?
I see a tree.

Bumps grow on a tree.
What do you see?
I see a face looking
at me.

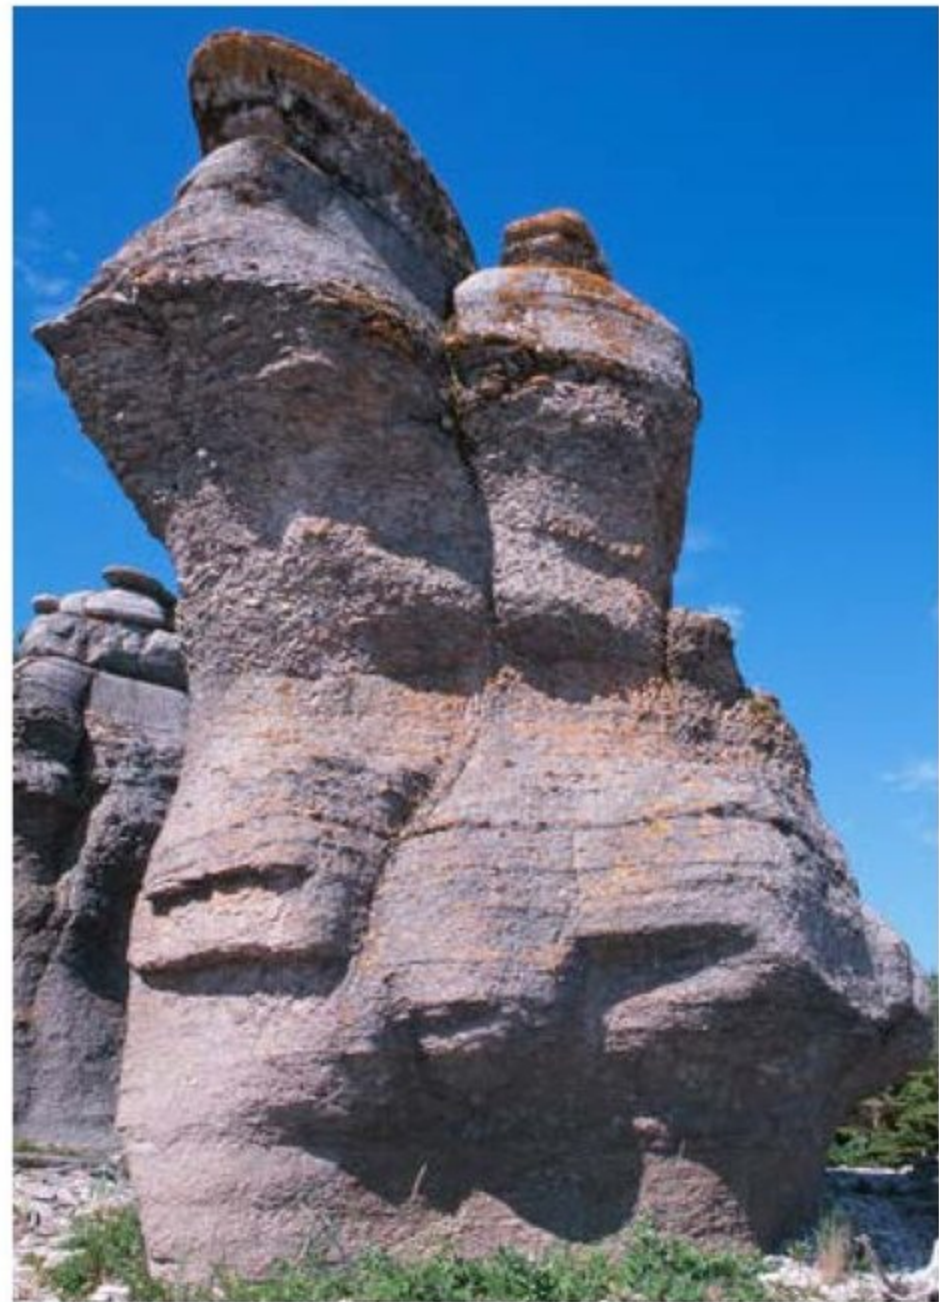

Ice forms on a window.
What do you see?
I see a fern.

A cloud moves
across the sky.
What do you see?
I see a running lamb.

Bark grows on a tree.
What do you see?
I see a heart.

Look closely.
There is so much
to see.
